## About Me

I am a B.Tech Computer Science Engineering student at Malla Reddy University with an interest in language processing, Python development, and cybersecurity. My aim is to contribute to real-world tech solutions and gain practical exposure through projects and internships.

## Education

B.Tech, Computer Science & Engineering

Malla Reddy University, 2022 - 2026

## Projects

### Duorate (Feb 2024 - Jun 2024)

- A voice-enabled language translator app allowing real-time multilingual communication.
- Voice recognition integrated
- Simple and efficient user interface

## Certifications

- Introduction to Python Programming - Penn University (May 2023 - May 2024)
- Mission E3 Internship - APSRTC & Center for Human Security Studies (Sep 2021 - Oct 2021)  
Gained insights into Indian history, MHRD, and national security topics.

# Srinath Dande - Portfolio
